

Fill in the gaps

Speak to me with tenderness	So where do you hide (6) you're alone?
Speak to me with gracefulness	Where do you run to
Speak to me with happiness and love	when you're on (7) own?
(1) to me in loneliness	That dream in the dark
Speak to me in bitterness	just sank like a stone
Speak to me in faithlessness with love	That voice in your heart,
You want to (2) (3) you're alone	It won't (8) to the phone,
Where do you run to	It never comes
when (4) on your own?	Speak to me with tenderness
You're looking to find some peace of mind	Speak to me with gracefulness
But (5) in sight at the end of the	(9) to me with (10) and
line, oh no	love
Speak to me in emptiness	Speak to me in loneliness
Speak to me in failed success	Speak to me in bitterness
Speak to me in speechlessness with love	Speak to me in faithlessness with love
You want to hide when you're alone	Speak to me!
Where do you run to	Speak to me!
when everything's gone?	Come on!
You're looking to find a good thing in life	
But nothing's in sight at the end of the line
