

It must have been love but it's over now

Fill in the gaps

It must have been love (BSO Pretty Woman) by Roxette

It must (1) been (2)	It was all that I wanted, now I'm living without
But it's (3) now	It must (16) been love but it's (17) nov
Lay a whisper on my pillow	It's (18) the water flows
(4) the winter on the ground	It's where the wind blows
I (5) up lonely	It must have been love but it's over now
there's air of silence in the bedroom and all around	It must have been good but I lost it somehow
(6) me now, I close my (7) and	It (19) have been (20) but it's over now
dream away	From the moment we (21)
It must have been love but it's (8) now	(22) the (23) had run out
It (9) have been (10) but I lost it	It must have (24) (25) but it's
somehow	(26) now
It (11) (12) been love but it's over now	It was all that I wanted, now I'm living without
From the (13) we touched	It must have been love but it's over now
Till the time had run out	It's where the (27) flows
Make believing we're together	It's where the wind blows
That I'm (14) by your heart	It must have been love but it's over now
But in and outside	It must have (28) love but it's over now
I've (15) to water like a teardrop in your palm	
And it's a hard winter's day I dream away
