

And it's a hard winter's day I dream away It must have been love but it's over now

It must have been love (BSO Pretty Woman) by Roxette

It must have been love	It was all that I wanted, now I'm living without
But it's over now	It must have been love but it's over now
Lay a whisper on my pillow	It's where the water flows
Leave the (1) on the ground	It's where the wind blows
I wake up lonely	It must have (5) love but it's (6) now
there's air of silence in the bedroom and all around	It must have been (7) but I lost it somehow
Touch me now, I close my eyes and (2) away	It must have been love but it's over now
It must have been love but it's over now	From the moment we touched
It (3) have (4) good but I lost it	Till the time had run out
somehow	It must have been love but it's over now
It must have been love but it's over now	It was all that I wanted, now I'm living without
From the moment we touched	It must have (8) love but it's over now
Till the time had run out	It's where the water flows
Make believing we're together	It's where the wind blows
That I'm sheltered by your heart	It must have been love but it's over now
But in and outside	It (9) have been love but it's over now
I've turned to water like a teardrop in your palm
