Margot by Sala & The Strange Sounds

Margot	Just dancing in the crowd below
Rock & (1) with a broken soul	I really wanted you to know, Margot
And (2) in her eyes	You know I never had the time
Don't you know you're so out of control?	To make you wanna change your mind
Can't you see that you'll lose your mind?	I should've given you a sign, Margot
Don't be coming home	Don't be coming home
I know you're all alone	I know you're all alone
Who would've thought the dog would bite the bone?	Who would've thought the dog would bite the bone?
And then you see her at the show	And then you see her at the show
Just dancing in the (3) below	Just dancing in the (7) below
I (4) wanted you to know, Margot	I really wanted you to know, Margot
You know I (5) had the time	You (8) I never had the time
To make you wanna change your mind	To make you (9) (10) your mind
I should've given you a sign, Margot	I should've given you a sign, Margot
Followed her down to the Kokomo	And then you see her at the show
Where the music they play's so good	Just dancing in the crowd below
Cat and (6) up in manor house	I really wanted you to know, Margot
Where I thought that you said you would	You know I never had the time
Don't be coming home	To make you wanna change your mind
I know you're all alone	I should've given you a sign, Margot
Who would've thought the dog would bite the bone?	
And then you see her at the show
