I (1) blind with (2) in my eyes	Our house is burning down
It's like we don't know where we've been	Our house is burning
That's it, boy, just state your case	We're the keepers
You're just as wrong as you were then	While we sleep in America
One tough move throw your hands up	Our house is (9) down
See I don't make no rules	Our house is burning
No one even (3) I'm here	Down, down it burns down
Now it's on you to man up	Our house is burning down
You say no (4) will hang on what you say	And not a thing I've done abates my fear
We're the keepers	And not a thing I've done abates
While we sleep in America	And still although our hearts can't run
Our house is burning down	We are going, we are going on the heels
Our house is burning	Of what we have done
We're the keepers	We're the keepers
While we sleep in America	While we sleep in America
Our house is burning down	Our house is burning down
Our house is burning down,	Our house is burning
Down it burns down	We're the keepers
Our house is (5) down	While we sleep in America
Ask me why a dream gets you by	Our house is burning down
But let it want, that's a (6) thing	Our house is burning
(7) out for it, it snakes right past	We're the keepers
Then turns around and it sucks you in	While we sleep in America
What happens when you get stuck	Our house is burning down
Get to the bottom of the illusion that you're in	Our (10) is burning
From the roots now it's shook up	Down, down it burns down
Know that (8) ails without will do you in	Our house is burning down
We're the keepers	
While we sleep in America
