

## Fill in the gaps

I'm not gonna waste this	These worlds are gonna collid
This opportunity's mine	I want to yell it from the rooftop
I'm sick of complaining	Until it's over, and we're older
About a (1) life	So take me, but go slow
How did we get here?	Let me hide (7)
Did we forget all the things inside?	And let this seed grow
And how do we stay here?	Until we finally (8)1
Do we embrace all the things denied?	So (9) me, but go s
I feel so (2) tonight	Let me hide somewhere I know
You got me feeling sublime	And let this seed grow
I want to yell it (3) the (4)	Until we finally call this home
down	If I was to die tonight
Until it's over, and we're older	Would it tear you apart?
For my entertainment	(10) you yell it from
You tell a whimsical lie	Until it's over, and you're older
To keep me complacent	I feel so alive tonight
You (5) me (6) with a smile	You've got me feeling sublime
How did we get here?	I want to yell it from the rooftop
How do we pretend everything's alright?	Until it's over, and we're older
And how do we stay here?	Like sugar and cyanide
Do we erase all the fear inside?	I want to make it collide
I feel so alive tonight	I'm gonna yell it from the roofte
You got me feeling sublime	Until it's over, and we're older
I want to yell it from the rooftops down	
Until it's over, and we're older	
Like sugar and cyanide	

These worlds are gonna collide	
I want to yell it from the rooftops down	
Until it's over, and we're older	
So take me, but go slow	
Let me hide (7) I know	
And let this seed grow	
Until we finally (8) this home	
So (9) me, but go slow	
Let me hide somewhere I know	
And let this seed grow	
Until we finally call this home	
If I was to die tonight	
Would it tear you apart?	
(10) you yell it from the rooftops down?	
Until it's over, and you're older	
I feel so alive tonight	
You've got me feeling sublime	
I want to yell it from the rooftops down	
Until it's over, and we're older	
Like sugar and cyanide	
I want to make it collide	
I'm gonna yell it from the rooftops down
