

You let me be my be, be my be

And I don't feel quite so right

Fill in the gaps

-It was the best day of my life-

rne pain surrounds	when you tuck me in
I (1) it rain	You tuck me nighty night
I watch it trickle down	Just like I've been wrong
And I feel so clear	I'm doing this now
You let it out	I've done it all along
I watch it disappears	And I can't believe in nothing
I don't quite know	Or (2) that I can't see
Just where it ends	You know it's better than it's (3) been
Just where the water flows	And that's good enough for me
And I can't quite see	(4) love was bittersweet, bittersweet, bittersweet,
Just where it was	(5) bittersweet
Just where it use to be	Your love was killing me, killing me, killing me,
And I can't believe in nothing	it's (6) me
Or anyone that I can't see	-This is the (7) day of my life-
You know it's better than it's ever been	(bis x3)
And it's good enough for me	I can't believe in nothing
Your love was bittersweet, bittersweet, bittersweet,	Or anyone that I can't see
it's bittersweet	You know it's better than it's ever been
Your love is killing me, killing me, killing me,	And it's good enough for me
it's killing me	Your love was bittersweet, bittersweet, bittersweet,
Yes I walked the line	it's bittersweet
I do it now	Your love was (8) me, killing me, killing
I've done it all the time	me,
And I feel so free	(9) killing me
You let me out	-This is the best day of my life-
