

Fill in the gaps

The pain surrounds	When you tuck me in
I watch it rain	You tuck me (9) night
I watch it trickle down	Just like I've (10) wrong
And I feel so clear	I'm doing this now
You let it out	(11) it all along
I watch it disappears	And I can't believe in nothing
I don't quite know	Or anyone that I (13) see
Just where it ends	You (14) it's better than it's ever been
Just where the (1) flows	And that's good enough for me
And I (2) (3) see	(15) love was bittersweet, bittersweet, bittersweet,
Just where it was	
Just where it use to be	it's bittersweet
And I (4) in nothing	Your love was killing me, killing me, killing me,
Or anyone that I can't see	it's killing me
You know (6) (7) than it's	-This is the (16) day of my life-
ever been	(bis x3)
And it's good enough for me	I can't believe in nothing
Your love was bittersweet, bittersweet, bittersweet,	Or (17) (18) I can't see
it's bittersweet	You (19) it's (20) than it's
Your love is killing me, (8) me, killing me,	(21) been
it's killing me	And (22) good enough for me
Yes I walked the line	(23) (24) was bittersweet, bittersweet,
I do it now	bittersweet,
I've done it all the time	it's bittersweet
And I feel so free	Your love was killing me, (25) me, killing
You let me out	me,
You let me be my be, be my be	it's killing me
And I don't feel quite so right	-This is the best day of my life-
	-It was the best day of my life-
