

## Fill in the gaps

rne pain surrounds	vvnen you (7) me in
I watch it rain	You tuck me nighty night
I watch it trickle down	Just like I've been wrong
And I feel so clear	I'm doing this now
You let it out	I've done it all along
I watch it disappears	And I can't believe in nothing
I don't (1) know	Or anyone that I can't see
Just where it ends	You know it's better than it's ever been
Just where the (2) flows	And (8) good enough for me
And I can't quite see	Your (9) was bittersweet, bittersweet, bittersweet,
Just where it was	it's bittersweet
Just where it use to be	Your love was (10) me, killing me, killing
And I can't believe in nothing	me,
Or anyone that I (3) see	it's killing me
You know it's better than it's ever been	-This is the best day of my life-
And it's (4) enough for me	(bis x3)
Your love was bittersweet, bittersweet, bittersweet,	I can't believe in nothing
it's bittersweet	Or anyone that I can't see
(5) love is killing me, killing me,	You know it's better than it's ever been
(6) me,	And it's good enough for me
it's killing me	Your love was bittersweet, bittersweet, bittersweet,
Yes I walked the line	it's bittersweet
I do it now	Your love was killing me, killing me, killing me,
I've done it all the time	it's killing me
And I feel so free	-This is the best day of my life-
You let me out	-It was the best day of my life-
You let me be my be, be my be	
And I don't feel quite so right
