

## Fill in the gaps

You say you know that I'll be there	Tell me how low can you go
I've got a (1) for your thoughts	(16) in out of control
If you care to drop them off	And, oh no, (17) overexposed when
Or you can (2) me at the station	You (18) (19) really thought you
I'm (3) the hesitation	ever had a chance
You're racking up miles to reach me	Oh you'll never show enough skin
The ticket is void,	For them to let you in and
The driver was lost and	Oh no, its overexposure
The people on the bus are telling you to get off	And it breaks you (20) down now
Run, run, run, run, run, run, run	And it breaks
As fast as you can	And it breaks you right down now
Tell me how low can you go	And it breaks
You're in out of control	And it breaks you right down now
And, oh no, you're overexposed when	Overexposure
You never ever (4) (5) you	And it breaks you right down now
(6) had a chance	Overexposure
Oh you'll (7) (8) enough skin	-and it breaks you right down now- (bis)
For them to let you in and	Run, run, run, run, run, run, run
Oh no, it's overexposure	As fast as you can
Tell me (9) (10) (11)	Tell me how low can you go
arise	You're in out of control
When the ship is sinking	And, oh no, you're (21) when
And people are thinking	You never ever thought you (22) had a chance
Disregarding all the tension	Oh you'll never show (23) skin
It's beyond (12) comprehension	For them to let you in and
(13) trip has taken its course	Oh no, its (24) now
This plane is ready to land	Overexposure now
(14) it on time	¡(bis x3)
And the airline personnel	
are in the back getting high	
Run, run, run, run, run, run, run	
As fast as you can
