

As fast as you can

## Fill in the gaps

You say you know that I'll be there	Tell me how low can you go
I've got a penny for your thoughts	You're in out of control
If you care to drop them off	And, oh no, you're overexposed when
Or you can meet me at the station	You never ever really thought you ever had a chance
I'm (1) the hesitation	Oh you'll never show enough skin
You're racking up (2) to reach me	For them to let you in and
The ticket is void,	Oh no, its overexposure
The driver was lost and	And it breaks you right down now
The people on the bus are (3) you to get	And it breaks
off	And it breaks you right down now
Run, run, run, run, run, run, run	And it breaks
As fast as you can	And it breaks you right down now
Tell me how low can you go	Overexposure
You're in out of control	And it breaks you right down now
And, oh no, you're overexposed when	Overexposure
You never ever really thought you ever had a chance	-and it breaks you (6) down now- (bis)
Oh you'll never show enough skin	Run, run, run, run, run, run, run
For them to let you in and	As fast as you can
Oh no, it's overexposure	Tell me how low can you go
Tell me this feeling will arise	You're in out of control
When the ship is sinking	And, oh no, (7) overexposed when
And people are thinking	You never (8) thought you ever had a chance
(4) all the tension	Oh you'll never show enough skin
It's beyond your comprehension	For (9) to let you in and
(5) trip has taken its course	Oh no, its overexposure now
This plane is ready to land	Overexposure now
We'll make it on time	¡(bis x3)
And the airline personnel	
are in the back getting high	
Run, run, run, run, run, run, run
