Existentialism on Prom Night by Straylight Run

When the sun (1) up	sad and delicate
we were sleeping in	or (5) and out of key
sunk inside our blankets	sing me anything
sprawled across the bed	we're glad for what we've got
and we were dreaming	done with what we've lost
There are moments when I know it ends	our whole (6) laid out right in front of us
and the world revolves around us	Sing like you think no one's listening
and we're keeping it	you would (7) for (8)
keeping it all going	just a little bit
his delicate balance	just a little bit
vulnerable, all knowing	you would, you would
Sing like you think no one's listening	Sing like you think no one's listening
you would kill for this	you (9) kill for this
ust a little bit	just a little bit
ust a little bit	just a little bit
you (2) kill for this	you would, you would
Sing (3) you think no one's listening	Sing me something soft
you would kill for this	sad and delicate
ust a little bit	or loud and out of key

you would, you would
