Fill in the gaps

Take it or leave it by Sublime with Rome

She's got a knack for (1)	me	Take it or leave it	
Is it the (2) she says		Because I'm really leaving	
The (3) thing that keeps me here		I've purchased my ticket to New York	
Are her eyes in the morning		(17) thing in the morning	
I've (4) my things a thousand times		Kissing you good morning	
And I've faked (5)	all her lies, for the last	And (18) goodbye	
time		Take it or leave it	
The other day I drew myself a map		Because I'm really leaving	
So I (6) figure out your head		I've made up my (19) time	
The canvas dripped with my sweat, blood and tears		There's no coming back for you	
And she hated (7)	thread	Oh, there's no coming (21) for you	
I've packed my things a thousand times		And I'll always feel incomplete	
And I've faked believe all your lies, for the last time		She smothered herself with her own beauty	
Take it or (8) it		And she was born and raised daddy's princes	
Because I'm (9)	_ leaving	But her (22) is no (23) for	an
I've purchased my ticket to Nev	w York	heiress	
First thing in the morning		Yes her (24) is no match for an heiress	
Kissing you good morning		(25) I try to love you, try to hold on to	
And (10) goodbye		The feeling that makes me fall for you	
Take it or leave it		Oh, the feeling that makes me fall	
Because I'm really leaving		Take it or leave it now	
I've made up my mind this time		Take it or leave	
There's no coming (11)	for you	Because I'm really leaving	
Oh, there's no coming back for you		I've purchased my ticket to New York	
(12) her no purse w	as (13) important	First thing in the morning	
Than the knowledge in her head		Kissing you (26) morning	
She grabbed her sh*t just like a baby		And whispering goodbye, bye	
And couldn't believe the (14) I said		Such I love you, try to (27) on to	
The only thing I ever see her read		The feeling (28) makes me fall for you	
Are those damn gossip magazines		The feeling (29) makes me fall	
They feed her head (15) all that nonsense,		makes me fall for you	
Says she can fit in with the scene		-Can I buy you a drink?-	
I've packed my (16)	a thousand times		
And I've faked believe all her li	es, for the last time
