Between a man and his wife

Fill in the gaps

Behind The Wall by Tracy Chapman

Last night I heard the screaming		And as they walk out the door			
Loud voices behind the wall		The tears well up in her eyes			
Another (1) nig	ight for me	Last night I heard the screaming			
It won't do no good to call		Then a silence that chilled my soul			
The police		Prayed (4)	I was dreami	ng	
Always come late		When I saw the ambulance in the road			
If they come at all		And the policeman said			
ast night I heard the screaming		'I'm (5) to keep the peace			
Loud voices behind the wall		Will the crowd disperse			
Another (2) nig	ight for me	I (6)	we all could use	(7)	sleep
won't do no good to call		Last (8)	I heard the so	creaming	
The police		Loud voices behind the wall			
Always come late		Another (9)		night for me	
If they (3) at all		It won't do no good to call			
And when they arrive		The police			
they say they can't interfere		Always come late			
With domestic affairs		If (10)	come at all
