

Fill in the gaps

Behind The Wall by Tracy Chapman

Last (1) I heard the screaming	And as (12) (13) out the door
Loud voices behind the wall	The (14) well up in her eyes
Another sleepless night for me	Last (15) I (16) the screaming
It won't do no (2) to call	Then a silence that chilled my soul
The police	Prayed (17) I was dreaming
Always (3) late	When I saw the ambulance in the road
If (4) (5) at all	And the (18) said
Last night I heard the screaming	'I'm here to keep the peace
Loud voices behind the wall	Will the crowd disperse
Another (6) (7) for me	I think we all (19) use some sleep'
It won't do no good to call	Last night I heard the screaming
The police	Loud (20) (21) the wall
Always come late	Another (22) night for me
If they (8) at all	It won't do no (23) to call
And (9) (10) arrive	The police
they say (11) can't interfere	Always come late
With domestic affairs	If they come at all
Between a man and his wife
