

Fill in the gaps

You (1) the place where we meet	With all your mystery
Where you and I become she and he	Come on and hit me
I'm not as strong as I pretend to be	With your majesty
You feel the scratches and scars	Come on and hit me
You feel the parts of me we (2) ours	With all your mystery
But drop me once and I'll fall to bits	So come on and hit me
Come on and hit me	(8) your majesty
With your majesty	Come on and hit me
(3) on and hit me	With all your mystery
(4) all your mystery	Come on and hit me
And the moment we touch we are young	With your majesty
You feel my pulse and we (5) one	Come on and hit me
But drop me once and I'll fall to bits	(9) all your mystery
(6) on and hit me	
(7) your majesty	
Come on and hit me
