You've got a fast car	And your arm felt nice wrapped 'round my shoulder
I wanna a ticket to anywhere	And I had a feeling that I belonged
Maybe we make a deal	I had a feeling I could be someone, be someone, be someone
Maybe together we can get somewhere	You've got a a fast car
Any place is better	We go cruising entertain ourselves
Starting from zero, got nothing to lose	You (5) ain't got a job
Maybe we'll make something	Now I (6) in the market as a checkout girl
Me, myself, I've got nothing to prove	I know things will get better
You've got a fast car	You'll find work and I'll get promoted
I've got a plan to get us out of here	We'll move out of the shelter
Been working at the convenience store	Buy a bigger house and live in the suburbs
Managed to save just a little bit of money	Say remember when we were driving, driving in your car
Won't have to drive too far	Speeds so fast it felt like I was drunk
Just cross the border and (1) the city	City lights lay out (7) us
You and I can (2) get jobs	And your arm (8) nice wrapped 'round my shoulder
And finally see what it means to be living	And I had a feeling that I belonged
See my old man's got a problem	I had a feeling I could be someone, be someone, be someone
Live with the bottle, that's the way it is	You've got a fast car
He says his body's too old for working	I've got a job that pays all our bills
His body's too young, to look like his	You stay out drinking late at the bar
When mama went off and left him	See more of your friends than you do of your kids
She wanted more from life than he (3) give	I'd (9) hoped for better
I said somebody's got to take care of him	Thought maybe together you and me'd find it
So I quit school and that's what I did	I got no plans and I ain't going nowhere
You've got a fast car	So (10) your fast car and keep on driving
Is it fast enough so we can fly away?	You've got a fast car
We gotta make a decision	Is it fast enough so you can fly away?
Leave tonight or live and die this way	You gotta make a decision
Say remember when we were driving, driving in your car	Leave tonight or live and die this way
Speed so fast it felt (4) I was drunk
