

## Fill in the gaps

Goodbye, I don't want to	Saw me like they did
Feel the need to hear your voice	You never really loved me
Goodbye, I don't want to	Never really, never really loved me
Feel the need to see your face	Loved me like they did
I can't (1) with all these things I would say	You (7) have told me goodbye
I can't live with all these things that I'd say	You could have told me goodbye
Goodbye, goodbye, goodbye	You let me try
Like the first time	Knowing there was nothing
Goodbye, goodbye, goodbye	I could do to change you
Like the first time	You could have warned me
You never really knew me	Knowing there was nothing
Never ever, never ever saw me	I could do to change you
Saw me like they did	You never really knew me
You never really loved me	Never ever, never ever saw me
Never really, never really loved me	Saw me like they did
Loved me like they did	You never really (8) me
(2) some time I might want to	Never really, never (9) love
See the way (3) you've changed	Loved me like they did
With (4) time I might want to	Goodbye, goodbye, goodbye
See how you've been	Like the first time
(5) you cannot blame	Goodbye, goodbye, goodbye
I can't stand it	Like the first time
All these things I forego	You never really knew me
I can't stand it	Never ever, never ever saw me
All these things I let go	Saw me like they did
Goodbye, goodbye, goodbye	You never (10) loved me
Like the first time	Never really, never really loved me
Goodbye, goodbye, goodbye	Loved me like they did
Like the first time	
You never really (6) me	
Never ever, never ever saw me
