

## Fill in the gaps

| I call it a split because you know that you will |
|--|
| You bite your friends like chocolate             |
| You said that we go (1) nobody knows             |
| Guns hidden (2) our petticoats                   |
| And never going to quit it                       |
| We're never going to quit it, no                 |
| Run, run away from the boys in the blue          |
| My car smells like chocolate                     |
| And now I think about what to do                 |
| I think about what to say                        |
| I think about how to think                       |
| (3) it, play it, pause it, play it, pause it     |
| Oh, we go where nobody knows                     |
| Guns hidden under our petticoats                 |
| We're never going to quit it                     |
| (4) going to quit it, no                         |
| We're dressed in black from head to toe          |
| We've got guns (5) under our petticoats          |
| We're never going to quit it                     |
| Never going to quit it, no                       |
| I'm never (6) to quit it, no                     |
| You're never going to quit it, no                |
| You're never going to quit it                    |
| If you don't stop (7) it                         |
| That's what she said, she said                   |
| We're dressed in black head to toe               |
| Guns hidden under our petticoats                 |
| And we're never going to quit it                 |
| We're never going to quit it                     |
