Fill in the gaps

Major by The Asteroids Galaxy Tour

You got style " a la carte "	Someone's gonna make a call
To live your life you've got to be smart	If you work behind the wall, again
Keep cool, keep calm	In the club, VIP
You (1) the streets of your hood is your path	You know your ways like the APC
Stick to the (2) rules	Get a girl, I guarantee
Remember who's protecting you	Eventually she'll be down on her knees
These filthy streets will eat your soul	You've got the crew (8) up
If you don't (3) control, yeah	You don't want no city cup
Get a car, get a gun	Living life too fast for sure
Show the world what you have become	You make and drop them off
Fly hard having fun	Now blow it, oh yeah
Celebrate you're finally one build up	This is what you've got major ambition
A (4) of stone	This is what you've got
Forget what makes you feel alone	This is what you've got major ambition
Ain't nobody save (5) soul	You roll the ball
You're on your own, yeah, blow it	Gotta wreck it 'till you fall
This is what you've got	The big transition, yeah
Major ambition	You passed ignition, yeah
This is what you've got	No more opposition, yeah
This is what you've got major ambition	No, only pure demolition, yeah
You roll the ball	It's major ambition, come on blow it
Gotta wreck it till you fall, yeah	(9) is what you've got major ambitio
You're the best, you're the most	This is what you've got
You're the toast of the (6) coast	This is what you've got major ambition
Hip suit, holy ghost	Bring you home!
Everybody know you're the host	Come on, (10) on
A rising star (7) the law
