

Fill in the gaps

I told you on the day we wed	if you go before I do
I was gonna love you till I's dead	I'm gonna tell the (9) that he
Made you (1) (2) our wedding night	better dig two
That's the (3) and the last time I'll wear white	Dig two
So if the ties that bind ever do come loose	I took your name
Tie them in a knot like a hangman's noose	When I took those vows
Because I'll go to (4) or I'll go to hell	I meant (10) back then and I mean them right now
Before I'll see you with someone else	Oh, right now
Put me in the ground	If the ties that bind ever do come loose
Put me six foot down	If forever ever ends for you
And let the stone say	If that ring gets a little too tight
Here lies the girl whose only crutch	You might as well read me my last rites
Was loving one man just a little too much	And let the stone say
If you go before I do	Here lies the girl whose only crutch
I'm gonna tell the gravedigger that he (5) dig	Was loving one man just a little too much
two	If you go before I do
Well, it won't be whiskey, it won't be meth	Gonna tell the gravedigger that he better dig -two, two-
It'll be your name on my last breath	There'll be a stone right next to mine
If divorce or death ever do us part	We'll be together till the end of time
The (6) (7) call it a broken heart	Don't you go before I do
So put me in the ground	I'm gonna tell the gravedigger that he better dig two
Put me six foot down	I told you on the day we wed
And let the stone say	I was gonna love you till I's dead
Here lies the girl whose only crutch	
Was (8) one man just a little too much
