Video killed the radio star by The Buggles

I heard you on the wireless back in fifty two
Lying awake intent at tuning in on you
If I was young it didn't stop you coming through
They took the credit for your second symphony
Rewritten by machine and new technology
And now I understand the problems you can see
I met your children
What did you tell them?

We hear the playback and it seems so long ago
And you remember the jingles used to go... oh, oh
