Video killed the radio star by The Buggles

I (1) you on the wireless back in	In my mind and in my car
(2) two	We can't rewind we've gone too far
Lying awake intent at tuning in on you	Video killed the radio star
If I was young it didn't stop you coming through	Video killed the (8) star
They took the credit for (3) second symphony	In my mind and in my car
Rewritten by machine and new technology	We can't rewind we've gone to far
And now I understand the problems you can see	Pictures came and (9) your hear
I met your children	Put the blame on VTR
What did you (4) them?	You are a radio star
Video killed the radio star	You are a radio star
Video killed the radio star	Video killed the radio star
Pictures came and broke your heart.	Video killed the radio star
And now we (5) in an abandoned studio	(10) killed the radio star
We hear the playback and it (6) so long ago	Video killed the radio star
And you remember the jingles used to go oh, oh	You are a radio star
You were the first one	You are a radio star
You were the last one	
Video killed the (7) star	
Video killed the radio star
