Fill in the gaps

Land of gathering by The Ceremonies

So, you'll (1) me there	The paper set tore up
Behind those castle walls	So the (6) didn't swing
Just like before	And why'd I think the choir
We walked right through those empty halls	Would stop the songs they sing?
It made me think about	Oh, (7) didn't
The land of gathering	Maybe since we're gone and all is through
And what would happen if	I've got (8) a view
We ever saw the king	I've got such a view
Maybe since we're gone	Maybe since we're gone and all is through
And all is through	I've got such a view
I've got such a view	I've got such a view
I've got (2) a view	Maybe since we're gone and all is through
Maybe (3) we're (4) and all is	I've got such a view
through	I've got such a view
I've got such a view	Maybe since we're gone and all is through
I've got such a view	I've got such a view
We pulled the rope so that	I've got such a view
The (5) would start to fall	
And no one watched to see	
The final curtain call
