

## Fill in the gaps

I kept you in the shape of the night
But not as a prisoner of war
Tell the analysis it isn't alright
Because this part of the mind
Is dressed in childish decor
And when the sun (1) out, I'll ask to play
And if you don't have money we'll work all day
And there's a time and a place
She said: well, this is that place
We've got to think ahead or we'll have to retrace
The little engine that (2)
Was the engine (3) would now
Was the engine (3) would now I told you I'd never
I told you I'd never
I told you I'd never  Ever, (4) ever, ever, ever ever
I told you I'd never  Ever, (4) ever, ever, ever ever  (5) hurt you again
I told you I'd never  Ever, (4) ever, ever, ever ever  (5) hurt you again  I'm fine all alone in my own head
I told you I'd never  Ever, (4) ever, ever, ever ever  (5) hurt you again  I'm fine all alone in my own head  That's if you just say that you won't ever leave me
I told you I'd never  Ever, (4) ever, ever, ever ever  (5) hurt you again  I'm fine all alone in my own head  That's if you just say that you won't ever leave me  Oh, I can see, that you are meant to be
I told you I'd never  Ever, (4) ever, ever, ever ever  (5) hurt you again  I'm fine all alone in my own head  That's if you just say that you won't ever leave me  Oh, I can see, that you are meant to be  Stuck like my (6) key in stability

Then I guess we'll stay
Because if it doesn't you'll never
Ever, ever ever, ever ever
Ever love me again.
Never ever love me again
Never ever hurt me again
Never love me again
(7) again
Never love me again
I'm (8) a child
And you're just a child
And I'm just a child
Well I'm just a child, and you're just a child
I'm just a child, just a child, just a child and
You're just a child, just a child, just a child and
I'm just a child, just a child, just a child and
You're just a child, just a child, just a child and
It's (9) for us to play
It's time for us to play
It's time for us to play

- 1. comes
- 2. could
- 3. that
- 4. ever
- 5. Ever
- 6. skeleton
- 7. Never
- 8. just
- 9. time
