

Be in my eyes

Fill in the gaps

Flowers in your hair by The Lumineers

When we were younger we thought		Be in my heart	Be in my heart	
(1) was on our side		So now I think (7) I could		
Then we grew a (2) bit		(8) you back		
And (3)	the time I saw	And I hope it's not too (9)		
Flowers in your hair		Because you're attractive		
So It takes a boy to live		And the way you move		
It takes a man to pretend he was there		I won't close my eyes		
So then we grew a little and (4)	a lot	So it (10)	a man to live	
And now we demonstrated it to the cops		It takes a woman to make him compromise		
And all the things what we said		So be in my eyes		
We were self-assured		And be in my heart		
Because (5) a long road to wisdom		Be in my eyes		
But it's a (6) one to being ignored		Be in my heart		
Be in my eyes				
And be in my heart
