So soon we're too old to carry	(13) you

And we knew we only had a little while	For the ones you love there's if they need too
In the middle, in the middle	Pharaoh, pharaoh
In the middle (1) keep ticking over	Pharaoh they're not coming (16) you.
Before you know it, before you know it	And we go (17) to (18) we came
Before you know it parent's a parent	from
To have it all, to have it all	Like those before and those to come
To have it all and still (2) more	And know it's the ever and the more
One thing's for sure, one thing's for sure	And again and again
One thing's for sure we're all getting older	So (19) we, so soon we
So we take a lover, so we take a lover	So soon we're too old to carry
So we take a (3) (4) in the	And we (20) it, and we knew it
corner	Abd we knew we (21) had a (22)
And before you know it, before you know it,	while
(5) you know it, (6) up the	In the middle, in the middle
daisies	In the middle just (23) ticking over
And we go back to where we came from	Before you know it, before you know it
Like (7) (8) and those to come	Before you know it parent's a parent
And (9) it's the ever and the more	And we go (24) to where we came from
And again and again we go	Like those before and those to come
In the end, In the end	And (25) it's the ever and the more
In the end nothing comes easy	And (26) and again and again
