## Fill in the gaps

So soon we, so soon we			
So soon we're too old to carry			
And we knew it, and we knew it			
And we knew we only had a little while			
In the middle, in the middle			
In the middle just keep ticking over			
Before you know it, before you know it			
(1) you know it parent's a parent			
To have it all, to have it all			
To have it all and still want more			
One thing's for sure, one thing's for sure			
One thing's for sure we're all getting older			
So we take a lover, so we take a lover			
So we take a lover waiting in the corner			
And before you know it, before you (2) it,			
Before you know it, pushing up the daisies			
And we go back to where we came from			
Like (3) (4) and those to come			
And know it's the ever and the more			
And again and again we go			
In the end, In the end			
In the end nothing comes easy			
So you find a way, so you (5) a way			

So you find a way	to take a little with you		
For the ones you l	ove, for the ones you love		
For the ones you love there's if they need too			
Pharaoh, pharaoh			
Pharaoh they're no	ot coming with you.		
And we go back to where we came from			
Like those before	and those to come		
And (6)	it's the ever and the more		
And again and aga	ain and again		
So soon we, so so	on we		
So soon we're too	old to carry		
And we knew it, an	d we knew it		
Abd we knew we o	while		
In the middle, in the	e middle		
In the middle (8)_	keep ticking over		
Before you know it	, before you know it		
Before you know it	parent's a parent		
And we go back to	where we came from

And know it's the	ever and the more		
And again and aga	ain and again
