

Dream killer by The Monomes

A (1)_____ day,
everything seems all right
A thirteen year old,
with a gun in his hand
He left for school,
waving goodbye
Not knowing that now,
there is no way back.
All that was given,
he will (2)_____ it away
He doesn't even care,
there are more to blame.
Then shoots a poor girl,
that was running late
She falls and she bleeds,
with no time,
with no time to flee.
You don't understand,
you don't understand
When you take a life,
you are taking mine
You don't understand,
you don't understand
What we've been growing with patience and love
has fallen apart
The feeling of pain,
never felt it before
I know it's not easy,
that there isn't a cure.
Stop looking away,
Quit turning around
Silence and violence would sure turn you down.
You don't understand,
you don't understand

When you take a life,
you are taking mine
You don't understand,
you don't understand
What we've been growing with patience and love
has fallen apart
