## Dream killer by The Monomes

## Fill in the gaps

A normal day,	When you take a life,
everything seems all right	you are taking mine
A thirteen year old,	You don't understand,
with a gun in his hand	you don't understand
He left for school,	What (8) been growing with patience and
waving goodbye	love
Not knowing (1) now,	has fallen apart
there is no way back.	A normal day,
All that was given,	everything seems all right
he will take it away	A thirteen year old,
He (2) even care,	betrayed by his dad
there are more to blame.	He left for school,
Then shoots a poor girl,	waving goodbye
that was running late	Not knowing that now,
She falls and she bleeds,	there is no way back.
with no time,	I'm filling my time with messages of hope
with no (3) to flee.	I'm filling my time with thoughts of love
You don't understand,	You don't understand,
you (4) understand	you don't understand
When you take a life,	When you take a life,
you are taking mine	you are taking mine
You don't understand,	You don't understand,
you don't understand	you don't understand
What we've (5) growing with patience and love	What we've been growing with patience and love
has fallen apart	You don't understand,
The feeling of pain,	you don't understand
never felt it before	When you take a life,
I know it's not easy,	you are (9) mine
that (6) isn't a cure.	You don't understand,
Stop looking away,	you don't understand
Quit turning around	What we've been growing (10) patience and love
Silence and violence (7) sure turn you down.	has fallen apart
You don't understand,	
you don't understand
