Fill in the gaps

Your mind is on the run by The Monomes

It's not quite the time	she still doesn't know	
not really the rhyme	if she's right or I'm wrong	
that voice is cracking up	but what you cannot buy	
doomed to a funeral bang-bang	is a smile on the sunshine	
the sweetest nightmare	Your feet are on the ground	
my mind (1) seem to stop	and your mind is on the run	
I've been hiding for too long	your mind is on the run.	
you cannot even try	(5) somebody, (6)	too
you cannot learn to fly	healthy	
when your feet are on the ground	come and help me from the storm	
and your mind is on the run	I know, you lend me (7) wings	
Won't somebody, somebody too healthy	so I could feel free	
(2) and help me from the storm	be (8) and be warm	
I know, you lend me your wings	-be calm and be warm-	
so I could feel free	Won't somebody, somebody too healthy	
be calm and be warm	come and help me from the storm	
-be (3) and be warm-	I know, you (9) me your wings	
It is what it looks like	so I could (10) free	
the dark of the night	be calm and be warm	
keeps my blood cold enough	-be calm and be warm-	
so my mind can (4) bright		
Bang-bang, an aerial nightmare
