Standing, on the edge of forever,		There's progress now where there once was none,					
At the (1)	of whatever,	where there	(7)	was ah	, then	everything	came
Shouting love at the world.		along.					
Back then, we were like cavemen,		Although no one understood,					
We'd beam at the moon and the stars,		we were holding back the flood					
Then we forgave them.		learning how to dance the rain.					
We will meet you where the lights are,		There was more of them than us					
The defenders, of the faith we are.		now they'll never dance again.					
Where the thunder turns around		Although no one understood					
they'll run so hard we'll (2) the ground away.		there was more of them than us					
You know no one dies,		learning how to dance the rain,					
in these love town lies,		We were holding back the flood					
Through our (3) drowned eyes,		they said we'd never (8) again.					
we'll watch you sleep tonight.		We will meet you where the lights are,					
Although no one understood		The defenders, of the faith we are.					
we were holding back t	he flood,	Where the (9))	turns	aroun	d	
Learning how to (4) the rain.		they'll run so hard we'll tear the ground away.					
We were holding (5) the flood		Although no one understood,

Bleeding, but none of us leaving,		learning how to (10) the rain.					
Watch your mouth son or you'll find yourself floating home.		(learning how to dance the rain)					
Here we come now on a (6) star,		There was more of them than us					
seeing demons, not what we are.		now they'll never dance again.					
Tiny minds and eager hands		Now we'll never dance again.					
hands will try to strike but now will end today.		Oh ahh, Oh ahh, Oh ahh, Oh aah, Oh ahh, Oh ahh.
