## View (from an airplane window) by The Monomes

It feels so strange to be out of place	is lost inside my secrets
When you know you're breathing in	I miss you
(1) air	I try to find you in my suitcase
I (2) for feelings that I try to trace	My memories are
With a gin and (3) (4) in my	(13) a box
chair	and there's a key that (15) open it
The taste can spread	is (16) inside my secrets
but I know you aren't there	I miss you
And I'll hide myself in a bottle of beer	I try to find you in my suitcase
'Cause my memories are	Cerulean sky torn apart like a drum
(5) inside a box	(17) a strum like a tear of my soul
and there's a key that would open it	The man stood (18) with his mind aware
is lost inside my secrets	'Cause my memories are
I (6) you	locked inside a box
I try to find you in my suitcase	and there's a key (19) would (20) i
The sun is gone, but the light still burns	is lost inside my secrets
The view up here	I miss you
makes me be the clear	I try to find you in my suitcase
Let me shake my ball	My memories are
and you will appear	locked inside a box
Although I (7) tonight	and there's a key that would open it
I might be sleeping here	is lost inside my secrets
(8) sky torn apart like a drum	I miss you
like a strum	I try to find you in my suitcase
like a tear of my soul	
The man stood (9) with his mind aware	
'cause my (10) are	
locked inside a box	
and there's a key (11) would (12) it
