

Fill in the gaps

Sweater weather by The Neighbourhood

And all I am is a man		Put my finger on (13) tongue because you love to
I want the world in my hands		taste
I hate the beach		(14) heart's a door
But I (1) in (2)	with	(15) the other be touched is for
my toes in the sand		Inside this place is warm
Use the sleeves on my sweater		Outside it starts to pour
Let's have an adventure		(16) down
Head in the clouds but my gravity's centered		One love, two mouths
(3) my neck and I'll touch yours		One love, one house
You in those little high (4) shorts		No shirt, no blouse
Oh, she knows what I think about		Just us, you find out
And what I think about		Nothing I really want to tell you about, no
One love, two mouths		(17) it's too cold for you here
One love, one house		And now, so let me hold both (18) hands
No shirt, no blouse		In the (19) of my sweater
Just us, you find out		(20) it's too (21) for you here
(5) I really want to tell you about, no		And now, so let me hold both (22) hands
Because it's too (6) for you here		In the holes of my sweater
And now, so let me hold both (7) hands		Because it's too (23) for you here
In the holes of my sweater		And now, so let me hold both your hands
Before I may just take your breath away		In the holes of my sweater
I don't mind because now I (8) to say		(24) it's too cold for you here
(9) the silence guides your mind		And now, let me hold both (25) hands
So move to a place so far away		In the holes of my sweater
The goosebumps start to race		It's too cold, it's too cold
The (10) that my left (11)		The (26) of my sweater
(12) your waist		
And then I watch your face
