The kick in our ass says it's time to close	And the band was on playing our song
We're leaning on each other	We messed up the lyrics as we sang along
Trying to beat the cold	But we didn't care
Carry (1) shoes and I give you my coat	Because it felt like we were the only ones there
Walking these streets	Our feet were sure
(2) they were paved gold	Our thoughts were raw
There ain't anymore excuses not to go	They're turning on the lights, but we're shouting more
Neither one of us want to take that taxi home	We're shouting more
Singing our hearts out, standing on chairs	Singing our hearts out, standing on chairs
(3) our time, like we were millionaires	Spending our time like we were millionaires
Laughing our heads off, the two of us there	Laughing our heads off, the two of us there
Spending our time like we were millionaires, millionaires	Spending our time like we were millionaires, millionaires
Lost my heart and I hoped to die	Check out us since six in the morning
Seeing that sunlight hit your eyes	If time was money, yeah we'd be worth a fortune
(4) up all night	I swear, you may think you're rich
But you (5) look amazing to me	You could have a million (8)
Half the time of the night you only dream about	But you can't buy this
If God came down could take me now	Look at us since six in the morning
Because in my mind, we will always be	If time was money, yeah we'd be worth a fortune
Singing our hearts out, (6) on chairs	I swear, you may think you're rich
Spending our time like we were millionaires	You could have a million euro
Laughing our heads off, the two of us there	But you can't buy this
Spending our time like we were millionaires, millionaires	Walking these streets
(7) out us since six in the morning	Like they're (9) gold
If time was money, yeah we'd be worth a fortune	There ain't anymore excuses not to go
I swear, you may think you're rich	Neither one of us (10) to take that taxi home
You could have a million euro	
But you can't buy this
