

## Fill in the gaps

It's been a while since the two of us talked	I was (18) on one knee and you were mine for life
About a (1) since the day (2) you	We (19) we would neve
walked	be apart
Knowing things would (3) be the same	With your name tattooed across my heart
(4) (5) empty heart and mine full of	Who (21) have thought it (22) end
pain	up like this?
So explain to me, how we came to this	(23) everything we talked about is gone
Take it back to the night we kissed	And the only chance we have of (24) on
It was (6) city on a Friday night	Is try to take it back before it all went wrong
There were (7) and coke, I was Guinness all	Before the worst, before we mend
night	Before our hearts decide
We were sitting (8) our (9) against	It's time to love again
he world	Before too late
Saying things that we thought but never heard	Before too long
Who would have thought it would end up like this?	Let's try to take it back before it all went wrong
Where everything we talked about is gone?	And if the (25) don't clear
And the (10) chance we have of moving on	Then we'll rise above it, we'll rise above it
Is try to take it back before it all went wrong	Heaven's gate is so near
Before the worst, before we mend	Come walk with me through
Before our hearts decide	Just (26) we used to, just like we used to
It's time to love again	Let's take it (27) before it all went wrong
Before too late	Before the worst, before we mend
Before too long	(28) our hearts decide
Let's try to take it back (11) it all went wrong	It's time to love again
(12) was a time	Before too late
(13) we'd (14) up all night	Before too long
Best friends yet talking till the daylight	Let's try to take it back before it all went wrong
Took the joys (15) the pain	
With not much to loose, but so (16) to gain	
Are you hearing me? Because I don't wanna miss you	
You were adrift on memory bliss	
In this (17) Street on a rainy night
