

Fill in the gaps

If you ever come back by The Script

If you're standing with your suitcase	That you haven't taken
But you can't (1) on the train	And I wish you could (12) me the (13)
Everything's the way that you left it	shoulder
I still haven't slept yet	And I wish you can still give me a hard time
And if you're covering your face now	And I wish I (14) still wish it was over
But you just can't hide the pain	But even if wishing is a waste of time
Still setting two plates on the counter	Even if I never cross your mind
But eating without you	I'll leave the (15) on the latch
If the truth is you're a liar	If you (16) come back, if you (17) come
(2) just say that you're okay	back
I'm (3) on your side of the bed	There'll be a light in the hall and the key under the mat
Going out of my head now	If you ever come back
And if you're up and trying to move on	There'll be a smile on my (18) and the kettle on
But something pulls you back again	And it will be just like you were (19) gone
I'm sitting here trying to persuade you	There'll be a light in the (20) and the key under the
Like you're in the same room	mat
And I wish you could give me the cold shoulder	If you ever come back, if you ever come back now
And I wish you could still give me a hard time	Oh, if you ever come back, if you ever come back
And I wish I could (4) wish it was over	If it's the fighting you remember
But even if wishing is a waste of time	Or the little things you miss
Even if I never cross your mind	I know you're out there (21)
I'll leave the door on the latch	So (22) remember this
If you ever (5) back, if you (6)	If it's the fighting you remember
7) back	Or the (23) things you miss
There'll be a light in the hall and the key under the mat	Oh just (24) this, oh just remember this
If you ever come back	I'll leave the door on the latch
There'll be a smile on my face and the kettle on	If you ever come back, if you ever come back
And it will be just like you were never gone	There'll be a light in the hall and the key under the mat
There'll be a light in the (8) and the key under the	If you ever come back
nat	There'll be a smile on my face and the kettle on
If you ever come back, if you (9) come back know	And it will be just like you were never gone
Oh if you ever come back, if you ever come back	There'll be a light in the hall and the key under the mat
Now they say I'm wasting my time	If you ever come back, if you ever come back now
Because you're never coming home	Oh, if you (25) come back, if you ever come back
But they used to say the world was flat	And it (26) be just like you were never gone
But how wrong was (10) now?	And it will be just (27) you were never gone
And by leaving my door open	And it will be just like you were never gone
I'm risking everything I own	If you ever come back, if you ever come (28) know
There's nothing I can (11) in a break-in
