

Fill in the gaps

vvelcome back nome everyone,	God what a gift
as you know, I am now dead,	You tell me with your tongue
and this video shows my last will and testament.	And your breath goes in the lungs
Between my three children,	And the (6) (7) filled the rift
couldn't decide which of you	I know (8) things can really get rough
to keep the house to,	When you go in love
as each of you grew up here with me.	(9) go thinking you gotta be tough
So I didn't choose any of you,	Complete like a stone
pecause, as you know, each of you hates my guts.	Could be there's nothing else in our lives
Well this is just a simple song	So critical as this little hole.
To see what you've done	This isn't actually a deed to the house, I was kidding.
told you about all those fears	Let's be honest,
And away they did run	this place is full of awful memories for all of us,
You sure must be strong	so I've already sold the estate and I am having the house
Instead, I've hidden the deed somewhere in the house,	demolished. But best of luck to all of you. Love,
and the first of you to find it gets everything,	Dad,
ready? get steady, go!	Well this isn't be a simple song
You feel like an ocean	to say what you've done
Being warmed by the sun	I told you about all those fears
When I was just nine years old	And away they did run
swear that I dreamt	You sure must be strong
Your face on a football field	P.S. The wrecking (10) arrives at 2:00
And a kiss (1) I kept	p.m
Under my vest	And you feel like an ocean
Apart (2) everything, the heart in my chest	Being warmed by the sun
know that things can really get rough	Remember walking a mile to your house
When you go in love	That glow in the dark
(3) go thinking you gotta be tough	I made a fumbling play for your heart
Complete like a stone	And the extra of the spark
(4) be (5) nothing else	You wore a charm in a chain
n our lives	That I stole special for you
So critical as this little hole	Love's such a delicate thing that we do
My life in an action boat, marooned on a cliff	We've nothing to prove
You brought me a great big flood	Which I never knew
And you gave me a lift
