

Fill in the gaps

em>Welcome (1) home everyone,	God what a gift
s you know, I am now dead,	You tell me with your tongue
nd this video shows my last will and testament.	And your breath goes in the lungs
Setween my three children,	And the flow (13) filled the rift
couldn't decide which of you	I (14) that things can really get rough
keep the house to,	When you go in love
s each of you (2) up here with me.	(15) go thinking you (16) be
So I didn't choose any of you,	tough
ecause, as you know, each of you hates my guts.	Complete like a stone
Vell this is just a simple song	(17) be there's (18) else in
o see what you've done	our lives
told you about all those fears	So critical as this little hole.
and away they did run	This isn't actually a deed to the house, I was kidding.
ou (3) must be strong	Let's be honest,
em>Instead, I've hidden the deed somewhere in the house,	this (19) is full of awful memories for all of us,
nd the (4) of you to find it gets everything,	so I've already sold the estate and I am having the house
eady? get steady, go!	demolished. But best of luck to all of you. Love
ou (5) like an ocean	Dad,
Being warmed by the sun	Well this isn't be a simple song
(6) I was just nine (7) old	to say what (20) done
swear that I dreamt	I (21) you about all those fears
our face on a football field	And away they did run
and a (8) that I kept	You sure must be strong
Inder my vest	P.S. The wrecking crew arrives at (22)
(9) from everything, the heart in my chest	p.m
(10) that things can really get rough	And you (23) like an ocean
Vhen you go in love	Being warmed by the sun
Oon't go thinking you gotta be tough	Remember (24) a mile to (25)
Complete (11) a stone	house
Could be there's nothing else in our lives	(26) (27) in the dark
So critical as this little hole	I made a fumbling play for your heart
Ny life in an action boat, (12) on a cliff	And the (28) of the spark
ou brought me a great big flood	You wore a charm in a chain
and you gave me a lift	That I (29) special for you
	Love's such a delicate thing that we do
	We've nothing to prove

Which I never knew
