Simple song by The Shins

Fill in the gaps

Welcome back home everyone,	God what a gift
as you know, I am now dead,	You tell me with your tongue
and this video shows my last will and testament.	And your breath goes in the lungs
Between my three children,	And the (7) that filled the rift
I couldn't decide which of you	I know that things can really get (8)
to keep the house to,	When you go in love
as each of you grew up here with me.	Don't go thinking you gotta be tough
So I didn't choose any of you,	Complete like a stone
because, as you know, each of you hates my guts.	Could be there's nothing else in our lives
Well this is just a simple song	So critical as this little hole.
To see what you've done	This isn't actually a deed to the house, I was kidding.
I told you (1) all those fears	Let's be honest,
And away they did run	this place is full of awful memories for all of us,
You sure must be strong	so I've already sold the estate and I am having the house
Instead, I've (2) the deed somewhere in	demolished. But best of luck to all of you. Love,
the house,	Dad,
and the first of you to find it (3) everything,	Well this isn't be a simple song
ready? get steady, go!	to say what you've done
You feel like an ocean	I told you about all those fears
Being warmed by the sun	And away they did run
When I was just nine years old	You sure must be strong
I swear that I dreamt	P.S. The wrecking crew arrives at 2:00 p.m
Your face on a football field	And you feel like an ocean
And a kiss that I kept	Being warmed by the sun
Under my vest	Remember walking a mile to your house
(4) from everything, the heart in my chest	That glow in the dark
I know (5) (6) can really get rough	I made a fumbling play for your heart
	And the extra of the spark
When you go in love	You wore a charm in a chain
Don't go thinking you gotta be tough	That I stole special for you
Complete like a stone	Love's such a delicate thing (9) we do
Could be there's nothing else in our lives	We've nothing to prove
So critical as this little hole	Which I never knew
My life in an action boat, marooned on a cliff	
You brought me a great big flood	
And you gave me a lift
