

Fill in the gaps

I don't feel better	All of those you love, you mistrust
When I'm (1) around	(12) me I'm (13) not quite myself
And I don't write better	(14) (15) there's no one
When I'm stuck in the ground	(16) left
So don't (2) me a lesson	I (17) to the (18) and
Because I've (3) learned	I fought through the crowd
Yeah, the sun will be shining and my (4)	Guess I got too excited (19)
(5) burn	I thought you were around
Oh, the heart beats in its cage	Oh he gets left, left, left
I don't want (6) you want	And I'm (20) you (21)
I don't (7) what you feel	(22)
See I'm (8) in a city	I (23) (24) your fire
But I belong in a field	Oh, the heart (25) in its cage
Yeah we got left, left, left	Yes the heart beats in its cage
Now it's three in the (9) and you're	Alright
10) alone	The heart beats in its cage
Oh, the heart (11) in its cage	
All our friends they're laughing at us
