

Fill in the gaps

Down, down in my bones
Somewhere I'd never ever known
(1) at the (2) of my head
It hit me like a (3) of light
Hit me like a hook of the right
And I could have fell to the floor
Because you talk to me
And it comes off the wall
You talk to me
And it goes (4) my head
So let's go to bed
Before you say something real
Let's go to bed before you say how you feel
Because it's you
It's always you
I always knew, oh, it's you
I try my best to unwind
Nothing on my mind but you
(5) to all that I'll owe
I'm hanging on to what I don't know

So let's go to bed
(6) you say something real
Let's go to bed (7) you say how you feel
Because it's you
It's always you
I (8) knew, oh, it's you
And it's you
It's always you
I always knew, oh, it's you
Oh it's you
lt's always you
I (9) knew, oh, it's you
Because it's you
lt's always you
I always knew, oh, it's you
And you, oh I always knew
Yes I always knew
oh, it's you
