

Well I wish that I was comfortable in my own skin

Fill in the gaps

Oh, I (1) bore you with the truth	But the whole thing feels like an exercise
About an (2) youth	I'm trying to be someone I would rather not be
Or you could get that rap from someone else	I'd try to second guess
And I could make an observation	If you would be approving
If you are the voice of a generation	I find my (19) ever so moving
But I'm too self-absorbed to give it clout	(20) wide-eyed and unassuming
And I, I (3) (4) care about	No hope -Ok-
anybody else	(21) is no hope
When I haven't got my own life figured out	When there's desperately
Because when (5) (6) and	No hope, when there's definitely
pored and 24	No hope, if you (22) believe me
And don't (7) who you are, nobody's no hope	Yeah there is no hope
And it's hard to come of age	When (23) desperately
I think it's a problem	No hope, when there's definitely
As I never go away	No hope but if you don't believe me oh
And no, I am so self-obsessed I guess	But I, I don't really care about anybody else
But there's no hope	When I haven't got my own life figured out
But I hope it's (8) a phase	Because when you're 24 and (24) and bored
Or I'll grow	And (25) know who you are nobody's no
Oh, I (9) (10) for inspiration	hope
Find it in the track on an English station	And it's (26) to come of age
But weren't that be (11) and ill-informed?	I think it's a problem
And I (12) bet you don't believe me	As I never go away
If I share a cape (13) (14)	And no, I am so self-obsessed I guess
[15) me	But there's no hope
But I (16) you I'm telling you the truth	But I hope it's just a phase
And I, I don't really care about anybody else	Or I'll grow
(17) I (18) got my own life	There is no hope
igured out	I know it's a problem
Because when you're 24 and young and bored	It never goes my way
And don't know who you are nobody's no hope	I (27) I am so self-obsessed I guess
And it's hard to come of age	But (28) no hope
think it's a problem	But I hope it's (29) a phase
As I never go away	Or (30) grow
And no, I am so self-obsessed I guess	
But there's no hope	
But I hope it's just a phase	
Or I'll grow	

- 1. could
