

Well I wish that I was comfortable in my own skin

Oh, I could bore you with the truth		But the whole thing feels like an exercise		
About an uneventful youth		I'm trying to be someone I would rather not be		
Or you could get that rap from someone else		I'd try to second guess		
And I could make an observation		If you would be approving		
If you are the voice of a generation		I find my life ever so moving		
But I'm too self-absorbed to give it clout		Keen wide-eyed and unassuming		
And I, I don't really care about anybody (1)		No hope -Ok-		
When I haven't got my own (2) figured out		(6) is no hope		
Because (3) you're yo	you're young and bored and 24		When there's desperately	
And don't know who you are, nobody's no hope		No hope, when there's definitely		
And it's hard to come of age		No hope, if you don't believe me		
I think it's a problem		Yeah there is no hope		
As I never go away		When there's desperately		
And no, I am so self-obsessed I g	juess	No hope, when there's definitely		
But there's no hope		No hope but if you don't believe me oh		
But I hope it's just a phase		But I, I don't really care about anybody else		
Or I'll grow		(7) I haven't got my own life figured out		
Oh, I could look for inspiration		Because when you're 24 and young and bored		
Find it in the track on an English station		And don't know who you are nobody's no hope		
But weren't that be (4) and ill-informed?		And it's hard to come of age		
And I could bet you don't believe me		I think it's a problem		
If I share a cape from deep within me		As I never go away		
But I promise you I'm telling you the truth		And no, I am so self-obsessed I guess		
And I, I don't really care about anybody else		But there's no hope		
When I (5)	got my own life figured out	But I (8)	_ it's just a phase	
Because when you're 24 and young and bored		Or I'll grow		
And don't know who you are nobody's no hope		There is no hope		
And it's hard to come of age		I know it's a problem		
I think it's a problem		It never goes my way		
As I never go away		I know I am so self-obsessed I guess		
And no, I am so self-obsessed I guess		But there's no hope		
But there's no hope		But I hope (9)	just a phase	
But I hope it's just a phase		Or I'll grow		
Or I'll grow
