Fill in the gaps

The high road by Three Days Grace

I told you I was hurt	
Bleeding on the inside	
I told you I was lost	
In the middle of my life	
There's times I stayed alive for you	
There's times I would have (1)	for you
There's times it didn't matter at all	
Will you help me find the right way up	
Or let me take the wrong way down?	
Will you straighten me out	
Or make me take the long way around?	
I (2) the low road in	
I'll take the high road out	
I'll do whatever it takes	
To be the mistake you can't live without	
Standing in the dark	
I can see your shadow	
You're the only light	
That's breaking through the window	
There's times I stayed alive for you	
There's times I would have died for you	
There's times it didn`t matter at all	
Will you help me find the (3)	way up
Or let me take the wrong way down?	

Will you straighten me out
Or make me take the long way around?
I (4) the low road in
I'll take the high (5) out
I'll do whatever it takes
To be the mistake you can't live without
Not now I'm not gonna give it away
Not gonna let it go just to wake up someday
Gone, gone
The worst part is looking back knowing that
I was wrong
(C) may find the right way up
(6) me find the right way up
Or let me take the wrong way down
Or let me take the wrong way down
Or let me take the wrong way down Will you straighten me out
Or let me take the wrong way down Will you straighten me out Or (7) me take the long way around?
Or let me take the wrong way down Will you straighten me out Or (7) me take the long way around? I took the low road in
Or let me take the wrong way down Will you straighten me out Or (7) me take the long way around? I took the low road in I'll take the high road out
Or let me take the wrong way down Will you straighten me out Or (7) me take the long way around? I took the low road in I'll take the high road out I'll do (8) it takes
