

## Fill in the gaps

## The high road by Three Days Grace

I (1) you I was hurt	Will you (12)	me out
Bleeding on the inside	Or (13) me take the long way around?	
I (2) you I was lost	I took the low road in	
In the (3) of my life	I'll take the high road out	
There's times I stayed (4) for you	I'll do whatever it takes	
There's times I would have died for you	To be the (14)	you can`t live without
There's times it didn`t matter at all	Not now I'm not (15)	give it away
Will you help me find the (5) way up	Not gonna let it go just to wake up someday	
Or let me (6) the wrong way down?	Gone, gone	
Will you straighten me out	The worst part is (16)	back knowing that
Or make me take the long way around?	I was wrong	
I took the low road in	(17) me find the (18) way up	
I'll (7) the high (8) out	Or let me take the (19)	way down
I'll do whatever it takes	(20) you straighten me out	
To be the mistake you can't live without	Or make me take the (21)	way around?
Standing in the dark	I took the low road in	
I can see your shadow	I'll (22) the (23)	road out
You're the only light	l'll do (24) i	t takes
That's breaking through the window	To be the (25)	you can't live without
There's (9) I stayed alive for you	I'll do whatever it takes	
There's times I would have died for you	To be the mistake you can't live without	
There's times it didn`t matter at all		
(10) you help me find the (11) way		
up		
Or let me take the wrong way down?
