

I'll fight back

## Fill in the gaps

Hold the line		You won't expect it	
Never (1)	and never break	Now I have to leave you	
I've tried		I waited for you	
But I'm addicted		I waited so long (I waited so long for you)	
I can't lie		Thought you'd be back	
Another step is in my sight		(You promised me the world when you retu	ırned)
Another step I'll see the light		Can't take anymore	
I waited for you		(You're gonna come back empty handed)	
I waited so long		I waited for you	
Thought you'd be back		(You think I'll be waiting for you)	
Can't take anymore		I waited so long	
I waited for you		(You better think again)	
I waited so long		I'm not (5) home	
I'm not (2)	home	(You'd better wake up)	
Trust your words		Feel all alone	
Tell me you're empty		(Cause You Know)	
Cause you know, it hurts		I waited for you	
Her eyes (3) spilling		I waited so long	
I was real		Thought you'd be back	
Have I not held back the fight		Can't take it anymore	
My body racing out tonight.		I waited for you	
I waited for you		I (6) so long	
I waited so long		I'm not coming home	
(4)	you'd be back	Feel all alone	
Can't take it anymore		I've always waited for you	
I waited for you		But don't expect to see me now	
I waited so long		Your (7) plan fell through	
I'm not coming home		Tell me what's wrong with you	
Feel all alone.		I've always waited for you	
Take it slow		But don't expect to see me now	
You tell me sweetie		Your (8) plan fell through	
Rest here with me		Tell me what's wrong with you	
Don't move
