

Fill in the gaps

Somebody I used to know by Walk off the Earth

Now and then I think of when we were together	But I don't wanna live that way
Like (1) you said	Reading (18) every (19) you say
you felt so happy you could die	You said that you (20) let it go
I (2) myself (3) you were right for me	And I wouldn't catch you hung up on somebody
But felt so lonely in your company	that you used to know
But that was love and it's an ache I still remember	But you didn't (21) to cut me off
You can get addicted to a certain (4) of sadness	Make out like it never happened
Like (5) to the end	And that we were nothing
(6) the end	And I don't even need (22) love
So when we found that we could not make sense	But you treat me like a stranger
Well you said (7) we would still be friends	And (23) feels so rough
But I'll admit that I was glad that it was over	No you didn't have to stoop so low
But you didn't have to cut me off	Have your (24) collect your records
Make out like it (8) happened	And then change your number
And that we were nothing	I (25) that I don't need that though
And I don't even need your love	Now you're just somebody (26) I used to know
But you (9) me (10) a stranger	Somebody
And that feels so rough	I (27) to know
No you didn't have to stoop so low	Now you're just somebody that I used to know
Have your friends (11) your records	Somebody
And (12) change your number	I (28) to know
I guess that I don't need that though	Now you're just somebody that I used to know
Now you're just somebody that I used to know	I used to know
Now you're just somebody that I (13) to know	That I used to know
Now you're just somebody (14) I used to know	I used to know
Now and then I (15) of all the times you	Somebody
screwed me over	
But had me believing	
it was (16) (17) that
