

Fill in the gaps

Somebody I used to know by Walk off the Earth

Now and then I think of when we were together
Like when you said
you felt so happy you could die
I told myself (1)_____ you were right for me
But felt so lonely in your company
But that was love and it's an ache I still remember
You can get addicted to a certain kind of sadness
Like resignation to the end
Always the end
So (2)_____ we found that we (3)_____ not
make sense
Well you (4)_____ that we would still be friends
But I'll admit that I was glad that it was over
But you didn't have to cut me off
Make out like it never happened
And that we were nothing
And I don't (5)_____ need your love
But you treat me like a stranger
And that feels so rough
No you didn't have to stoop so low
Have your friends collect your records
And then change your number
I guess that I don't need that though
Now you're just somebody that I used to know
Now you're just somebody that I used to know
Now you're just somebody that I used to know
Now and then I think of all the times you screwed me over
But had me believing
it was always something that I'd done

But I don't (6)_____ live that way
Reading into every (7)_____ you say
You said that you could let it go
And I wouldn't catch you hung up on somebody
that you used to know
But you didn't have to cut me off
(8)_____ out (9)_____ it never happened
And that we were nothing
And I don't even need your love
But you treat me like a stranger
And that feels so rough
No you didn't have to stoop so low
Have your friends collect your records
And then change your number
I guess that I don't need that though
Now you're just somebody that I used to know
Somebody
I used to know
Now you're just somebody that I used to know
Somebody
I used to know
Now you're just somebody that I used to know
I used to know
(10)_____ I used to know
I used to know
Somebody
