Last mile of the way by Westlife

Fill in the gaps

I want you with me
When the ground starts to shake
I want you with me
Each day when I wake
And I hope you forgive me
All my mistakes
And yes, I'll be with you
To the (1) mile of the way
(2) day turns to night
Stone turns to dust
Like life becomes memories
Steel becomes rust
(3) just a lesson learned
We'll look back one day
And I'll take you with me
To the (4) mile of the way
To the last mile of the way
To the last mile of the way
It's time to (5) on now
So don't be afraid
We should remember
The roles (6) we played
Whether the future
Has dark or (7) days
I (8) love you
Yeah, to the last mile of the way
To the last mile of the way
To the last mile of the way
